

## Client-Agent disclosure statement

The undersigned client introduced by:

**Global Financial Strategists LLC** (called hereafter agent).

Agrees to share his personal information with the agent. Specifically the client authorizes ACM Advanced Currency Markets SA to divulge the necessary information concerning his account(s) to the agent so that the agent may enter and view the client's online dealing platform including all transactions, balances and statements of account whether present or past.

This document is NOT a power of attorney and does not allow the agent to make any form of transaction on the customer's account. Specifically the nature of the agent's access to the client's account is purely informational only.
